Facilitator Course Application form

Welcome to a transformative journey that sets the benchmark in the world of psychedelic facilitation. We're thrilled that you're applying to join our exclusive course and training program, designed for those who aspire to be the best in this field.

Our course isn't just another training; it's a pathway to excellence, curated for individuals who are passionate about guiding others through profound experiences and facilitating personal growth.

You're invited to be part of a select group of individuals who share a common goal: to create a safer, more supportive, and more enlightening space for those exploring the incredible world of psychedelics. While we maintain high standards, we are committed to fostering a warm and welcoming community. Your journey begins here, and we're eager to have you on board.

Please be aware that we place little emphasis on perfect spelling, punctuation, or formal qualifications. No need to spend hours filling out this form. We prioritize individuals who are dedicated to safety, authenticity, and the creation of a nurturing and enriching experience for their clients.

We are also NOT exclusively looking for people with lots of experience as a psychedelic guide. We are open and receptive to all experience levels.
